

## Урок 9

### Выполни тест. №2, №3

2) Послушай интервью с ребятами об их планах на каникулы и определи, верные или неверные эти утверждения. Отметь галочкой (✓) верные.

1. Katie and Sasha want to swim and ride their bikes. They want to play checkers and do puzzles too.
2. Nick likes to play volleyball. And he wants to play checkers with his friends.
3. Sally likes holidays. She wants to go to New York and take pictures of the Statue of Liberty.
4. Andrew doesn't like basketball. He wants to play table tennis.

3) Прочитай письмо Рика о его друзьях и отметь в таблице, что может и умеет делать каждый из них.

My friends like to have interesting holidays. Ron likes to ride a bike and play football and volleyball with his brothers. Veronica likes to go by car with her mum and dad and take pictures. Sam likes to do sports. He can play volleyball, basketball, tennis. He can swim very well too. Rita likes to play with her dog Nancy. Nancy is very clever. It can play hide-and-seek and skip with Rita. They all like their holidays very much!
