2. My timetable

3. My school

4. My favourite teacher

A. As for me, I am fond of my school. I go to our local secondary school which provides advanced study of some subjects. I chose the class of Maths because I think that I'm good at it. And other subjects don't come so easy to me. So there are six lessons of Maths every week in our timetable. And I usually have a lot of homework to do but I don't mind! By the way, we have very good teachers who help us if we have some difficulties.

B. A teacher plays an important role in our education. I think that I am lucky because my English teacher is very experienced and kind. She understands the difficulties of learning process very well. She helps us to learn and advises us on all aspects of our life. She gives us her knowledge and experience and she is never angry or upset with us. She supports us and takes care of us. That's why I am happy at school and so are my classmates.

C. I can't say that I'm quite bad at Maths or Physics, but most of all I enjoy English. I am very grateful to my teacher because thanks to her I'm interested in this subject. My favourite activities at our English classes are making up interesting dialogues and acting out conversations. I am sure that if I like the subject very much it will help me greatly to cope with some difficulties in studying grammar and vocabulary.
